

Event Partnership Opportunities

The Tom Harris Charity Classic was founded in 2018 in honour of the legendary Tom Harris who passed suddenly in June, 2017. Tom Harris' philanthropic nature was legendary on Vancouver Island, and beyond. He was an extraordinary family man, business leader, community builder, and friend. Tom loved sharing a nice time with likeminded people; he was the quintessential 'people person.' You always knew Tom was there for a hand up and you may have even been in his crosshairs while he was spearheading countless charitable capital campaigns in the region. It is Tom's enduring affability, generosity, and selflessness that we seek capture and to amplify at the Tom Harris Community Foundation. The Tom Harris Charity Classic has become a premier charity event on Vancouver Island; with a lighthearted and relaxed vibe we only get very serious about raising money for the Tom Harris Community Foundation and, in turn, charities in the region. In partnership with the Nanaimo Foundation, 100% of the net proceeds of the Tom Harris Charity Classic are deployed supporting countless causes with a focus on youth throughout Vancouver Island. #inspiredbytom
